

OTUMFUO OSEI TUTU II CHARITY FOUNDATION/ SMILES FOR EVERYONE FOUNDATION DENTAL OUTREACH PROGRAMME TO ANANSU, ATWIMA MPONUA DISTRICT IN ASHANTI REGION ON FRIDAY, 20TH OCTOBER, 2017.

On Wednesday, 18th October, 2017, three members of the team went to the community which is about three and a half hours drive for dental screening exercise. The community where the outreach was conducted is the only developed village where children from neighbouring villages attend junior high school and the main place where trading activities take place. The District Assembly primary and J.H.S school have 547 registered children 100 of them were selected for treatment.

On the day of outreach Friday, 20th October, 2017. The team were welcomed by a well-organized community members. The team set up our machines and two of the team members gave the children dental education.

Treatment commenced as usually. The outreach to Anansu turned out to be our most successful outreach this year.

The scaling machine functioned well and children turned up for scaling and polishing. Adult too were very keen on having treatment. For children, a total of 60

extractions and 30 scalings were done. Amongst the adult, 10 turned up for extraction and 12 scaling and polishing. In total, 112 people were treated in Anansu Community.

Medication after extraction

The team left the community by 5pm and arrived at Kumasi at late in the night.
But had a great fulfilment for a good job done.
